

**THE UNIVERSITY OF BRITISH COLUMBIA**  
**Department of Cellular and Physiological**  
**Sciences Graduate Teaching Assistants**

Teaching Assistants are required for the 2023 Summer Session in the following course:

**CAPS 391 - Term 1**

1 position

Duties include: Holding office hours, writing sample questions, assisting with the Canvas site such as knowing how to set up the quizzes and managing them for students with extended time, checking the Canvas discussion board, invigilation, and marking. Candidates should have attained a first-class standing in a Biology, Histology, Gross Anatomy, or Neuroanatomy graduate course and must be a registered Graduate Student.

Salaries are as per [CUPE 2278 contract](#). All positions are subject to budget availability.

Please submit a complete application form along with a paragraph outlining your background (and your transcript, if you have never held a TA position in the CPS department) to [ta.biocaps@ubc.ca](mailto:ta.biocaps@ubc.ca) by April 15.

A list of the applicants will be collected and forwarded to the Union office.
